Family Promise of the Triangle

Dear Friends of Family Promise,

As we approach the end of another year, I find myself reflecting on how much we've accomplished together. Thanks to your generosity, Family Promise of the Triangle is reaching more families and achieving greater success than ever before in our 33-year history.

After serving a record-breaking 191 families last year, we're continuing to serve more families than ever. Parents are finding their footing, children are discovering a sense of security, and families are building brighter futures together.

These remarkable accomplishments are a testament to the dedication of our staff, the commitment of our volunteers, and the generosity of supporters like you. Together, we're doing more than providing housing. We're empowering families to achieve lasting stability.

In 2027, we plan to break ground on eight new units of temporary housing for families experiencing homelessness. This exciting expansion represents the first phase of an ambitious four-phase plan to add 36 housing units in the coming years, allowing us to open our doors to even more families.

As we look toward this next chapter, your partnership is more important than ever. The generosity that has brought us this far will be essential as we expand our reach and build on the progress we've made together.

On behalf of our staff, Board of Directors, and the families we serve, thank you for believing in our mission and making this extraordinary year possible.

As you consider your year-end giving, I invite you to continue building on this success with us. Together, we can bring the promise of home to even more families in the years ahead.

With heartfelt gratitude,
Scott Ferris, MPA, LSW, CM
CEO, Family Promise of the Triangle

> I came from sleeping in my car, driving around not knowing where to go. I was in a stuck place. But when I arrived at Family Promise, I felt at ease. The pressure was lifted, and I could finally think, plan, and work toward my goals. My children have thrived, and I've gained so much more than a place to stay. I've gained support, friendship, and family. I've gone from "nowhere" to "now here."
